

Every Dominican University student can get Microsoft office 2013 for free through their Dominican University email. To get your free installation follow this guide.

Microsoft Office 2013 Installation Guide

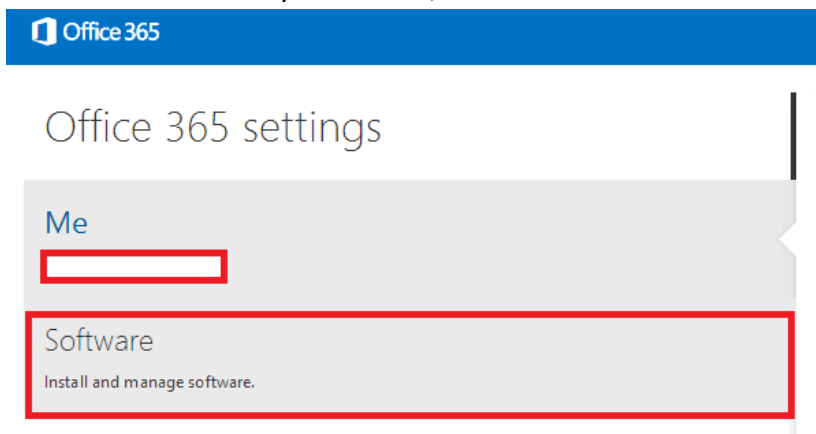

1. Go to your student email and sign in (you can get to your student email from campus news or by going to <http://myemail.dom.edu>).

2. On the top right side of your screen, click on the tool icon and then click office 365 settings.

3. On the left side of your screen, click on software.

5. On the lower side of your screen, click install (you might need to scroll down to see the install button).
